Finalist – GEMASTIK XIX 2026 | Nyaris Menang | National
Finalist – GEMASTIK XVIII 2025 | Inspektur Inklusif | National
2nd Place – Necronomi-jam 2026 (VIVERSE Track) | The Phare | International
Honorable Mention – ICPC Asia Jakarta Regional 2024 | International
3rd Place, Best Game – GIMERSIA Inspire 2025 | Nail Bound | National
Top 4 – GAMESEED 2026 | Sukebat | National
3rd Place – OSNP Informatika 2023 | Provincial
3rd Place – OSNP Informatika 2022 | Provincial
1st Place – OSNK Informatika 2023 | City/Regency
1st Place – OSNK Informatika 2022 | City/Regency
3rd Place – Gebyar Matematika 2024 (Cerdas Cermat) | Regional

PROJECT EXPERIENCE

JSON – Jastip Online Nasional
Contributed wallet transactions, refunds, settlement tests, and monitoring to a team marketplace using Java 21, Spring Boot, and PostgreSQL.

Nyaris Menang
Programmer on a team game exploring financial pressure and gambling awareness; finalist in GEMASTIK XIX 2026, Game Application division.

Pacil Explore – Open House Fasilkom UI
Developed an interactive Godot game for Fasilkom UI's open house to engage prospective students and introduce the faculty's programs.

Jumpin'Vim – COMPFEST
Built a Godot game for COMPFEST's interactive entertainment experience, collaborating from prototyping through delivery.

TemuCoach
Contributed to a team sports-coaching platform using Django JSON APIs and Flutter. Implemented booking, mobile authentication, and chat with polling-based message refresh.
